Honeywell's New Performance Series IP Kits with embedded NVR and four cameras—grab the savings!

Check out the new Performance Series IP kits from Honeywell. With your choice of a 1 or 2 TB Embedded NVR and four IP bullet cameras or four IP ball cameras, these bundle kits offer the perfect economical solution for small retail businesses, office settings and convenience store installations. But they're more than affordable--our new intuitive Embedded NVR has a user-friendly configuration process that takes you to live video after only minutes of setup time.

See how easy it is to save time and money with Honeywell IP. It's the performance you want at the price you need — and it's all backed by Honeywell's unparalleled support and three-year warranty.
